

Streets of Light Trail:

30th October – 5th November 2023

Thank you so much for signing up to be part of Streets of Light 2023!

To get involved all you need to do is to decorate one (or more!) windows of your house, flat or workplace, and then leave the lights on from 5.30 to 9.00pm, so people can see your fantastic displays. Your design can be anything you like, but please include one or more of the words LIGHT, LOVE or HOPE somewhere in it.

From Monday 30th October, check back on our website to find the interactive online maps showing the streets and places where you can walk, run, cycle or drive together and spot the different houses of light.

Please make sure your form will reach us **before 16th October** to be included in the trail maps.

GDPR – your address will be used by the Streets of Light team to create the trail maps but will not be shared with anyone else. Your details will not be shared with anyone else. Any questions to streetsoflight@outlook.com / 01992 582951

STREETS OF LIGHT 2023

Your name _____

Full address* _____

Post code _____

**This won't be made public, but will help us put the maps and trails together. Please note that the interactive map may show the centre of your post code area, not your exact building.*

If this address is not your home, please let us know what it is (company, school etc).

If you are aware of any special details we may need to help locate your Streets of Light window (e.g. new road not yet on online maps, your windows face another street, etc) please write them here.

Please return this form to the person who gave it to you, or post it to us at:
Streets of Light, 13/15 Chambers Street, Hertford, Herts, SG14 1PL

Your details must reach us **before 16th October** to be included in the trail maps.
